

## **Sales Policy**

**Last Updated: April 1, 2025**

This Sales Policy governs all purchases and transactions involving \$RLY tokens on rallyearn.co and affiliated platforms.

### **1. Token Sale Overview**

By purchasing \$RLY tokens, you agree to:

- No refunds or reversals of transactions once executed on the Solana blockchain.
- Complete responsibility for managing your crypto holdings after purchase.
- Understanding that Rally does not guarantee financial returns.

### **2. Public Sale Details**

Rally will offer \$RLY tokens through a public sale at launch, available to all buyers.

Pricing & Token Distribution:

- Launch Price: \$0.005 per \$RLY
- Circulating Supply: 30M \$RLY at launch
- Total Supply: 300M \$RLY
- Market Cap at Launch: \$150K

### **3. Anti-Dumping & Price Protection Measures**

To prevent price manipulation and mass dumping, Rally may implement:

- Early Sell Tax: A temporary sell tax on initial holders to discourage rapid liquidation.
- Gradual Unlocking Mechanisms: Ensuring stable price growth and market stability.

### **4. Risk Disclaimer**

- Cryptocurrency investments are volatile and may lead to financial loss.

- Users are responsible for securing their wallets and investment strategies.
- Rally does not offer financial advice—buying tokens is entirely at user discretion.
